License is too Expensive!

Crack The Software

PALCYBERSEC COMMUNITY - palsec@tutanota.de

Benefits of a crack

Money saved	Your data is the price
	You might pay in ransome
	Legal charges for being hacked(in some countries)
	Legal Charges for Being a part of Attack
	Compensating software developer
	You might become a part of botnet
	Legal charges for Attacking a service in your country

When you pirate a game and run it but you see cmd opening for a split second and closing immediately after
